

Privacy Policy

Effective as of June 2021

This Privacy Policy describes the privacy practices of BlueSphere Bio, Inc. and our subsidiaries and affiliates (collectively, “we”, “us”, or “our”) and how we handle personal information that we collect through our website — <http://www.bluespherebio.com>, through any other website that we own or control and which posts to this Privacy Policy, and through other interactions and correspondence with you (collectively, the “Site”). We may provide additional or supplemental privacy notices to individuals for specific products or services that we offer at the time we collect personal information, for example, in connection with our clinical trials. These supplemental privacy policies govern how we may process your information in the context of the specific product or service.

How to contact us

Personal information we collect

Information you provide to us. Personal information you may provide to us through the Site or otherwise may include:

- **Contact details**, such as your first and last name, email and mailing addresses, phone number, professional title and company name.
- **Communications** that we exchange with you, including when you contact us with questions, feedback, or otherwise.
- **Registration information**, such as information that may be related to a product or an event for which you register.
- **Marketing information**, such as your preferences for receiving communications about our activities, events, and publications as well as details about how you engage with our communications.
- **Other data** not specifically listed here, which we will use as described in this Privacy Policy or as otherwise disclosed at the time of collection.

Automatic data collection. We, our service providers, and our business partners may automatically log information about you, your computer or mobile device, and your interaction over time with the Site, our communications and other online services, such as:

- **Device data**, such as your computer's or mobile device's operating system type and version, manufacturer and model, browser type, screen resolution, RAM and disk size, CPU usage, device type (e.g., phone, tablet), IP address, unique identifiers, language settings, mobile device carrier, radio/network information (e.g., WiFi, LTE, 3G), and general location information such as city, state or geographic area.
- **Online activity data**, such as pages or screens you viewed, how long you spent on a page or screen, the website you visited before browsing to the Site, navigation paths between pages or screens, information about your activity on a page or screen, access times, and duration of access.

Cookies and similar technologies. Like many online services, we use the following technologies:

- **Cookies**, which are text files that websites store on a visitor's device to uniquely identify the visitor's browser or to store information or settings in the browser for the purpose of helping you navigate between pages efficiently, remembering your preferences, enabling functionality, and helping us understand user activity and patterns.
- **Web beacons**, also known as pixel tags or clear GIFs, which are used to demonstrate that a webpage or email was accessed or opened, or that certain content was viewed or clicked.

How we use your personal information

We use your personal information for the following purposes and as otherwise described in this Privacy Policy or at the time of collection:

Site delivery. We use your personal information to:

- provide, operate and improve the Site and our business;
- provide information about our products and services;
- communicate with you about the Site, including by sending announcements, updates, security alerts, and support and administrative messages;
- communicate with you about events in which you participate;
- understand your needs and interests, and personalize your experience with the Site and our communications; and
- provide support for the Site, respond to your requests, questions and feedback.

Research and development. We may use your personal information for research and development purposes, including to analyze and improve the Site and our business. As part of these activities, we may create aggregated, de-identified or other anonymous data from personal information we collect. We make personal information into anonymous data by removing information that makes the data personally identifiable to you. We may use this anonymous data and share it with third parties for our lawful business purposes, including to analyze and improve the Site and promote our business.

Compliance and protection. We may use your personal information to:

- comply with applicable laws, lawful requests, and legal process, such as to respond to subpoenas or requests from government authorities;

- protect our, your or others' rights, privacy, safety or property (including by making and defending legal claims);
- audit our internal processes for compliance with legal and contractual requirements and internal policies;
- enforce the terms and conditions that govern the Site; and
- prevent, identify, investigate and deter fraudulent, harmful, unauthorized, unethical or illegal activity, including cyberattacks and identity theft.

How we share your personal information

We may share your personal information with the following parties and as otherwise described in this Privacy Policy or at the time of collection:

Affiliates. Our corporate parent, subsidiaries, and affiliates, for purposes consistent with this Privacy Policy.

Service providers. Companies and individuals that provide services on our behalf or help us operate the Site or our business (such as hosting, information technology, payment processors, customer support, email delivery, and website analytics services).

Professional advisors. Professional advisors, such as lawyers, auditors, bankers and insurers, where necessary in the course of the professional services that they render to us.

Authorities and others. Law enforcement, government authorities, and private parties, as we believe in good faith to be necessary or appropriate for the [compliance and protection purposes](#) described above.

Business transferees. Acquirers and other relevant participants in business transactions (or negotiations for such transactions) involving a corporate divestiture, merger, consolidation, acquisition, reorganization, sale or other disposition of all or any portion of the business or assets of, or equity interests in, our company or our affiliates (including, in connection with a bankruptcy or similar proceedings).

Please keep in mind that whenever you voluntarily make your personal information available for viewing by third parties or the public on or through our Site, that information can be seen, collected and used by others. We are not responsible for any use of such information by others.

Your choices

You have the following choices with respect to your personal information.

Cookies. Most browser settings let you delete and reject cookies placed by websites. Many browsers accept cookies by default until you change your settings. If you do not accept cookies, you may not be able to use all functionality of the Site and it may not work properly. For more information about cookies, including how to see what cookies have been set on your browser and how to manage and delete them, visit www.allaboutcookies.org.

We use Google Analytics to help us understand user activity on the Site. You can learn more about Google Analytics cookies at <https://developers.google.com/analytics/resources/concepts/gaConceptsCookies> and about how Google protects your data at <http://www.google.com/analytics/learn/privacy.html>. You can prevent the use of Google Analytics relating to your use of our sites by downloading and installing a browser plugin available at <https://tools.google.com/dlpage/gaoptout?hl=en>.

Opt out of marketing communications. You may opt out of marketing-related emails by following the opt-out or unsubscribe instructions at the bottom of the email, or by contacting us at contact@bluespherebio.com

Do Not Track. Some Internet browsers may be configured to send “Do Not Track” signals to the online services that you visit. We currently do not respond to “Do Not Track” or similar signals. To find out more about “Do Not Track,” please visit <http://www.allaboutdnt.com>.

Declining to provide information. We need to collect personal information to provide certain services. If you do not provide the information we identify as required or mandatory or later request that we delete it, we may not be able to provide those services.

Other sites and services

The Site may contain links to websites and other online services operated by third parties. In addition, our content may be integrated into web pages or other online services that are not associated with us. These links and integrations are not an endorsement of, or representation that we are affiliated with, any third party. We do not control websites or online services operated by third parties, and we are not responsible for their actions.

Security

We employ a number of technical, organizational and physical safeguards designed to protect the personal information we collect. However, no security measures are failsafe and we cannot guarantee the security of your personal information.

International data transfer

We are headquartered in the United States and may use service providers that operate in other countries. Your personal information may be transferred to the United States or other locations where privacy laws may not be as protective as those in your state, province, or country.

Children

The Site is not intended for use by children under 16 years of age. If we learn that we have collected personal information through the Site from a child under 16 without the consent of the child’s parent or guardian as required by law, we will delete it.

Changes to this Privacy Policy

We reserve the right to modify this Privacy Policy at any time. If we make material changes to this Privacy Policy, we will notify you by updating the date of this Privacy Policy and posting it on the Site. If required by law we will also provide notification of changes in another way that we believe is reasonably likely to reach you, such as via email or another manner through the Site. Any modifications to this Privacy Policy will be effective upon our posting the modified version (or as otherwise indicated at the time of posting). In all cases, your use of the Site after the effective date of any modified Privacy Policy indicates your acceptance of the modified Privacy Policy.

How to contact us
